Ways to Give

There are several methods to support the Kenworthy Capital Campaign

Most donors who pledge to the campaign will make their pledge payments with cash (check) or marketable securities. With gifts of cash or stock, donors can claim a charitable income tax deduction equal to the fair market value of the contribution paid within the tax year, as long as they itemize deductions on personal tax returns. Donors are encouraged to consult with their personal financial advisor for the method(s) best suited to meet their goals.

Cash: A gift of cash qualifies for a charitable income tax deduction in the year the gift is made. Gifts of cash can be made via cash, check, or credit card. **Monthly/Multi-Year Giving:** A pledge can be divided into payments for up to three years. Options for payments are monthly, quarterly, semi-annually, and annually.

Donor Advised Funds: Donors may direct gifts to the campaign from their donor advised fund if they have an established fund.

Securities: When giving the gift of appreciated securities such as stocks, bonds, or mutual funds, the donor incurs no capital gains taxes. The charitable deduction for federal income tax purposes is based on the full fair market value of the stock on the date the gift is made. The donor receives credit for the full fair market value of the stock, but the cost to the donor is the original purchase price.

To make a gift of stock, you will need the following information:

Kenworthy Performing Arts Centre Tax ID#: 82-0519693

Account #: 44906167 Kenworthy Performing Arts Centre

Matching Gifts: Numerous corporations have matching gift programs in which an employee's gift to the campaign will be matched by the company. Donors are urged to forward the company's matching gift form with their own contribution or pledge payment.
